MEDFIELD HIGH

MHS UNCOVERED

100% Recycled

On the outside, one may see a huge, brick building prepared for the students to come and go in four years learning as much as they allow themselves to. On the inside, many see the hidden secrets ready to be unlocked and shared with each spirited student. After four years, MHS alumni look back knowing that after their deep investigation they understand why this school is so unique. It has been discovered that even though this school has a strict curriculum, it goes above and beyond, providing clues to lead the kids to finding who they are as individuals. Here are the case files that have been accumulated over the year, providing the clues and different leads we took to discover the mystery behind this High School. Finally, it has been unclassified that from Faculty to students, everyone leaves unique marks on this school, proving the final conclusion that once you are a Big Blue Warrior, you will forever be a Big Blue Warrior.

SENIOR SECTION

They cautiously approached the squeaky stairs, hopeful that they might find the last clue to close the case. As they reached the last stair, a smiling face handed them a piece of paper. As they uncurled the folded evidence bold words stood out strong reading "Diploma". The Seniors starred at the piece of paper blankly, as if it was going to tell them what to do with their lives.

Each year, naive, determined seniors investigate their futures, hoping they will be able to discover the correct path to lead them to their future. No mother, father, or piece of paper can tell them what the right direction is for them. All they can do is provide detailed clues, hoping that they will be able to senior's exploration. No Senior will be able to uncover the mysteries of life until they live them leaving their marks along the way. Good Luck Class of 2010 Here is their Case File!

FEATURES

After a long day of intense investigations, students of MHS like to put down their boring files, kick up their feet, and discover how a high school in Medfield can be so exciting. The first clue was tipped off by the creative music from local bands at the annual Fall Fest concert. Kids were everywhere, supporting each other, unable to hear their own voices cheering for each band. Next, a thorough examination was done for five days, taking on one of MHS' most prized weeks of school, Spirit Week. This week is not just any week; it is a week where students are able to be anyone they want to be to show their school spirit; it was fascinating. Finally, one of the most interesting clues was the millions of footprints left on the high school floor from the Homecoming and Holiday Dances. Each footprint had a story of a different student making memories with their friends as they danced the night away. Thorough background checks were done for each of these events, showing clearly why this school is so special, and now the file is handed over to you. I hope you can see what we see.

CLASSIFIED! is what was stamped across the closed file on the Staff of Medfield High School. No one thought any student would ever cast their sight on this folder full of staff secrets. Unfortunately for them, a determined group of students discovered this file and could not resist the temptation of opening it. In moments, secrets flew from the pages, shocking them. Students knew this confidential information was too great for just their eyes and dared to distribute it to MHS. If you are not prepared for this information, skip to the next section. But if you are like us and can't resist, then enjoy it!

The 2009-2010 school year brought new leads to help understand who exactly walks the halls of Medfield High School everyday. Freshmen started the year with a bit of nerves but soon found comfort in finding clues that will help them succeed in the next four years here. Sophomores came back eager to build upon their skills gathered from the previous year. Juniors began the year with the motivation to make new advances into their investigation. With the expertise all the grades have acquired, the students will be sure to further the exploration of finding their true identity, just in time for senior year!

CLUBS AND ORGANIZATIONS

100% Recycled

Chaos broke out in the gym the moment the doors opened. Students ran to the array of tables, filling the room with chatter. This craziness was hard to understand, so we sent some detectives in undercover. They returned with a great amount of information and flyers, describing the clubs and organizations while keeping cheerful smiles. Since that day, we have spent a great amount of time trying to dig deeper into the different groups, discovering some intriguing information to file away until now. We are now releasing it to you!

The Friends of Rachel club started this year in response to a presentation Craig Scott made at our school in the fall. Craig Scott is the brother of Rachel Scott, the first student killed during the Columbine High School shooting in April of 1999. Craig's presentation centered on the importance and power of simple acts of kindness. We were so inspired and moved by his story, we decided to start a "Friends of Rachel" club to keep the chain reaction of kindness going. We have over 100 students who have expressed interest in the club but at the moment are just getting off the ground. We know that next year's yearbook will have a picture of the club with many, many members! Be kind. Start a chain reaction!

SPORTS

100% Recycled 

As the bell goes off, signaling the school day to an end, many students rush out of their classrooms down to the locker room. This craziness causes many to wonder why they are in such a hurry. As you secretly follow them, you discover that they are preparing for the extreme games and practices that are about to occur on the various Medfield sport fields and courts. These sports are a great way for many athletes to showcase their athleticism and skills. In the 2009-2010 seasons, Medfield athletes have showed their ambition by tearing up the field, leaving it all on the court, and not hiding their dedication and determination.

Football

Boys football pushed through a tough year, ending with a record of 2-9. With the loss of many upperclassmen, senior captains Kevin Soule, Korey Kuzmich, and Chris Warren lead their team to wins

against Ashland and Bellingham.

Also leading the team this year, Junior Justin Williams and Sophomore Joey Shebertes had a great season.

Both the coaches and underclassmen are looking forward to a stellar season next year.

Boys Soccer

The boys soccer team had a great season this fall. Captains Erik Lindgren, Keith Bennett, and Jake Siino led the boys to score the most goals in TVL and allowed the least goals in. Their record was 12-4-4; however, they

unfortunately lost in the state tournament quarterfinals. The three captains and other seniors--Tony Xian, Danny Richmond, Curtis Aguiar, Matt Robinson, Kyle Foster, and Andrew Nugent--will greatly be missed. Best wishes to all next year!

Field Hockey

Field hockey had a great season this year. With 11 returning seniors, the girls fought hard against rivals Dover Sherborn and Hopkinton. Captains Corey and Carrie Quadir were spectacular offensively with consecutive scoring games while Captain Holly Oppell was great defensively as well. Captain goalie Allie Sosinsky was particularly impressive for the Warriors this year having multiple shut outs and saves. The team ended the season with a 13-4-3 record, making it to the Quarterfinals in the State

Tournament, where they fell to the number one seeded Harwich in a triple overtime shoot out. Great job Field Hockey!

Volleyball

The volleyball team had an unstopable season; they finished with an undefeated season, winning the state championship against Bourne. For the first time in ages, they beat Barnstable on their home court in four games! In the tournament, the girls swept all of their opponents winning 3-0 every match. The team is ranked 54th in the nation and 2nd in the state. They couldn't have done all this stunning work without their amazing coach, Jack Hastings. The girls were also lucky to have the two

senior captains, Jessica McLeod and Morganne Gagne and four other astonishing senior girls: Ally Le-Bruno, Gorgia Naumann, Jenn Nelson and Codi Dugas. We wish the best of luck to the graduating girls and next year's team.

Gymnastics

The Gymnastics Team is celebrating their 10th year in program! This year the DSM gymnastics team combined with Ashland making it the MADS Gymnastics team! The team, coached by Bill Matyskiel and Meg, has a standing of 11 wins and 2 losses. They set the new school record with a total score of 140.1! The gymnastics team will truly miss Coach Matyskiel next year when he retires at the end of this season. He was the founder of the gymnastics team in 2000 with his daughter Val. The gymnastics team practices at Quiggs School of Gymnastics in Bellingham. MADS Gymnastics had an amazing season this year and the Seniors and Coach Bill will be greatly missed!

Indoor Track

The winter track team continued their many years of excellence this season. The Girls team, lead by captains Kallie Nixon, Allie Hunter, Grace Thole, and Angie Bodozian, finished the season with a 5-3 record. The

Boys team, with captains Jeff Brown and Joe Hill, also finished extremely well with a final record of 7-1. Many athletes broke records such as Jeff Brown in the 1000M in 2:38.13 and Alex Stanton in the 600M in 1:37.9. Other records broken were the long jump, the mile, Distance Medley Relay, and

55 Relay. All of the team members, who vary from sprinters to shotput throwers, came together to have an amazing season. Good luck next year winter track!

Boys Basketball

The boys basketball team had yet another fantastic season this year. The boys continued the tradition of winning by ending with a record of 15-5. With all-star captains Phil DeSeignora, Tyler Frasca, and Steven Hiltz, the team beat town rival DS 60 to 35 in the season opener. Sophomore Sam Tawa and junior Ben Coutinho also contributed greatly to the team this year. Coached by Herb Grace, the team made the state tournament. Sadly, the team's year ended in the Division 2 State Tournament against Boston English in the first round. The six seniors will be missed next season. Good luck next year boys!

Girls Basketball

The Girls basketball team had an amazing season this year. With only two seniors, the team lacked in varsity veterans. However, the strong leadership from captains Marissa Pelosi and Maddie Schneider kept the team together and strong. With that strength, the team came up on top of the Tri-Valley League for the second year in a row. Juniors Maddie Bouchard and Hilary Collins also helped bolster their team. Coached by Mark Nickerson, the team received a playoff spot, and the girls trumped their two first opponents. The seniors will be missed next year. Good luck to the rest of the team!

Swimming and Diving

DSM, or Dover-Sherborn and Medfield, swim team had a terrific season this winter. Lead by captains Matt Lyons and Katie Karg, the team finished the season with a 5-5 record. Also, Jimmy Butler broke the school record in the 100 meter backstroke. With both schools working together as one, the team made it to States, where many of the teammates competed in both relays and individual events.

Also, the team became TVL Champions on February 8th, 2010. The seniors will be greatly missed next season!

Boys Ice Hockey

The boys hockey team had a phenomenal season this year. After twenty games, and a record of 12-5-3, they were seeded fifth heading into the Division 3 tournament. Originally lead by captains Erik Lindgren and Jimmy McGrath, the team added Tommy Graham and Mike Brown as assistant captains as well. With all four grades represented this year, the team had strong lines and goaltending by sophomore goalie Connor Roddy. The great defense was headed by John O'Driscoll and Mike Brown. The five graduating seniors will be missed next year.

You're the best, Kal! XO Mom and Dad.

Maddie Noonan ~ Maddie Noonan ~ Maddie Noonan

Hey Mads,

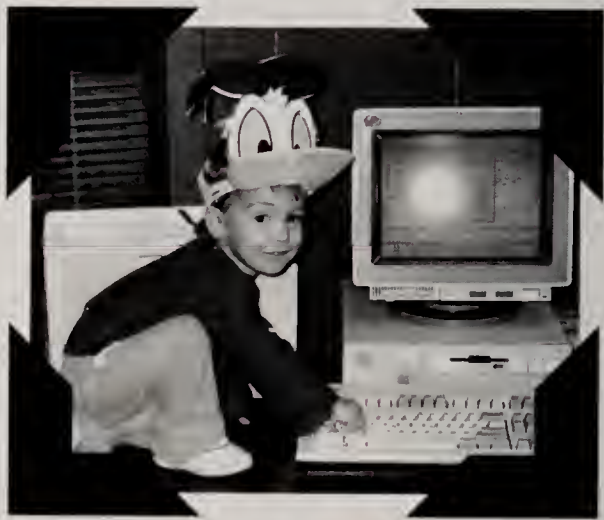

You are such a special person with your quick wit, passion for friendships and drive to succeed. As parents, we like to see our hopes and dreams through our children. Living with you, our lives are being fulfilled. After all of Dad's talk and rhetoric, he now wishes the college countdown would be slowed down or even reversed. We will all miss you being with us every day, more than you know. Who will drive all the kids now? Thanks for all the wonderful memories we have created in the last seventeen years. We wish you the best of luck with all your future endeavors.

Keep smiling and dream big!

Love always,

Mom, Dad, Kenzie, Tommy, and Darby.

Those cheeks, those thighs, so squeezable. You were so
huggable, squeezable and loveable then and now, except for
the squeezable part. Your eyes, so big and bright, have always
been open to new ideas and opportunities. Your talents and
intellect are admirable but your kindness is what sets you apart.
You are a friend to all and I value you as my daughter and my

Infoscitex (founded in 2000) is an engineering services company that provides innovative solutions to defense, aerospace, life sciences, energy, and environmental markets.

The company develops solutions that meet the unique requirements of its varied customers, including Johnson & Johnson, the U.S. military, NASA, and the National Institutes of Health.

Infoscitex Corporation has been named the 2009 Small Business of the Year by the Greater Boston Chamber of Commerce.

In 2008 Infoscitex created IST Energy as a majority-owned subsidiary to commercialize the GEM™ (Green Energy Machine). (**See Below**)

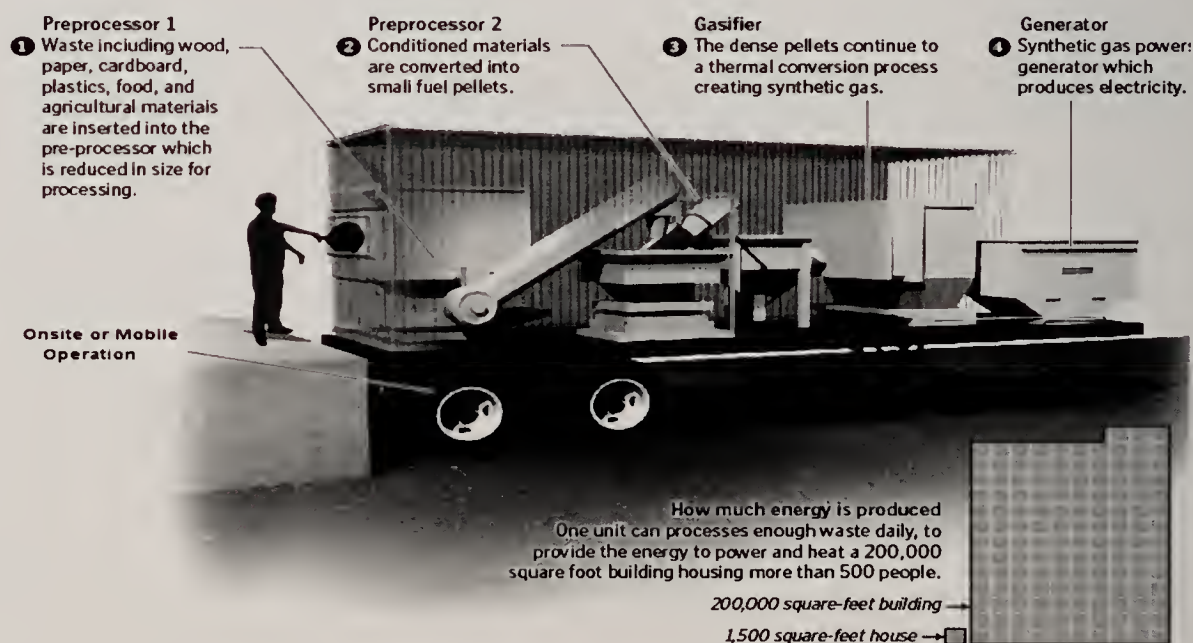

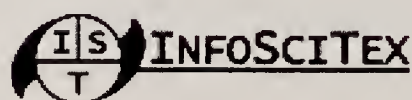

IST Energy mission is to provide customers with environmentally-beneficial and economically attractive solutions that address the world's energy and environmental needs.

The company's flagship product, the GEM™, is a waste-to-energy conversion system that enables organizations to generate clean energy from waste on site.

The GEM™ facilitates highly-efficient clean energy production while reducing greenhouse gas emissions and pollution.

GEM™- Waste To Energy Conversion System

Converts 3 tons of trash per day into clean energy at your facility

The Official Motto
"We Serve"

Medfield Lions are members of the world's largest and most active service organization, working continuously to raise awareness of sight related diseases and to raise funding to find a cure for blindness. LIONS are also dedicated people who have decided to give something back to their communities, who work to find people in need, and who meet those needs in an efficient but caring way.

**Congratulations to
The Class of 2010

A farewell...

to Mrs. Sue Pratt

In June, Mrs. Pratt will be stepping down as Science Department Head. She's spent the past 39 years teaching, coaching, and making a difference in the lives of those she touched. Though she will not be in the halls of MHS on a daily basis, you can count on seeing her around in years to come. She says she will miss the students, faculty, colleagues, and friends that she has made the most.

CLOSING SECTION

100% Recycled 

Finally, you reach the last case file that uncovers the many hidden secrets that Medfield High School holds close to its heart. This file takes us back to the places we have been and reminds us of the people who have crossed our paths, making this case file's importance even greater. We packed this file with warm memories, so we ask you to look closely at each piece of evidence provided once opened. Realize that every aspect is crucial to appreciating how Medfield High School will always hold a special, yet secret, spot in your memory.

A Dedication in the memory of... **Kenneth Stavris**

a beloved custodian and friend
April 9, 1949 ~ March 2, 2009

"No good deed goes unpunished."
-Kenny's favorite saying

"I knew Ken when he worked for the telephone company. He would come down to the Sunoco Gas Station in Medfield and fill his pride and joy yellow Plymouth. After I sold the business I went to work for the school system. Later on, Ken retired from the telephone company. I ran into him one day and told him to apply for a job at the school, and he did. Next thing I knew, he was along side me working. (2 Old Guys)" **-Don Johnson, Head Custodian**

Last March, MHS said goodbye to one of the friendliest faces that walked the halls everyday after school: Kenneth "Kenny" Stavris. Students and faculty first encountered this wonderful man in 1997, when he joined the custodial staff of the Wheelock School. Kenny spent the last 10 years of his life tending to the needs of the hallways and classrooms of MHS. He truly had a love for people as it was rare to see Kenny without a smile on his face while on the job. Even though he is not here today, his beloved cat, Stitches, still visits the school and reminds us all of how much we miss him.

Words From the People Who Knew Him Best...

"It's hard to describe how it feels to have lost a friend like Ken Stavris. I was lucky to have forged with him a friendship of ten years, tragically cut short when I was a senior. I met him when I was a little girl in second grade, confined to a wheelchair, my whole leg wrapped in a hot pink plaster cast. When I needed help moving around a strange new school, it was Mr. Stavris who offered to help me up and down the stairs every single school day. The kindness and compassion that he showed to me reflected his true character. His caring, hard-working nature never ceases to inspire me to be a better person, to treat others with warmth and respect. It is sad to know that Ken is no longer with us, that we can no longer see his glowing smile in the halls, but I know that his memory lives on in the genuine benevolence of others, in the spirit of Medfield High School." **-Caitlin Ghegan (MHS class of 2009)**

"Kenny...

...loved to talk about his grand-kids ...unkinked my phone cord every day...once came to school on a Sunday so I could let some Modern World Conflict students borrow a wheelchair for their video...always had a smile...is very much missed"**-Mary Patch, Nurse**

"It was fun working with him. We had a lot of fun kidding around with one another and had a great time chasing Stitch around the school to get him out. We worked together good." -Tony Nicolazzo, Custodian

"My favorite memory and the one that came to mind right away is of Kenny playing with and visiting with his children/grandchildren while here at work. It was always so nice to see him enjoying time with his family." ~Marie Foley, Guidance

"The dictionary defines custodian as 'person responsible for something valuable or an upholder of something valuable.' I believe Ken Stavris embodies this in the truest sense. Kenny wasn't here simply to empty the trash and sweep away scraps of paper on the floor left by others (although he did, on occasion, scold me when he saw simulated blood on the hallway walls after the forensics bloodstain analysis lab and when students left scraps of paper on the floor after their Pangaea project). Ken watched out for all living things in the building. He watered the plant at the end of the first floor science corridor and fed my fish during winter break. He also took responsibility for something valuable – the moods of people around him. When I was stressed one day, for example, he brainstormed with me a forensic plot I still use today with my classes. Kenny told me all about the old soda and acid fire extinguishers and other interesting tidbits which I incorporated into a school-appropriate forensic scenario. Many of us remember the sound of his trash bucket rattle down the science corridor, and we knew, moments later, Ken would be in your classroom, demanding a hello, no matter how busy you were. But looking back, I realize that Ken made the time for what was most important – to really and truly listen to people. In that way, Ken was a true custodian for what is most important in this school– the people." -Lynn Fantelli, Science

"Ken was always so happy to keep me posted about Alan and Laura! They are both such wonderful people who he and Donna had every right to be incredibly proud of!" -Sue Cowell, Wellness

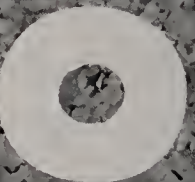

"Kenny was the quintessential 'Drama Dad'. He and his wife Donna were always involved parents throughout their children's high school years helping to acquire props for shows and building sets. Even after his son and daughter, Alan and Laura, graduated he would always check in with us to see if we needed anything or to bring by something he had saved from being thrown away that he knew would be useful to us. He was always kind and generous to the students, and I would often catch him sneaking into the back of the auditorium on performance nights to keep an eye on things. He'd give me the thumbs up before cheerfully moving back on to his duties. We miss him greatly!" -the MHS Theatre Society
